### **Nevada HAND Receives Grant From Wells Fargo**

**LAS VEGAS, NEV.** – In October 2012, Nevada HAND submitted an application to receive a grant from Wells Fargo Financial National Bank to support its continued community development efforts.

On January 8, 2012 Wells Fargo Financial National Bank's President presented a donation of \$7,500 to Nevada HAND.

"It is my pleasure to provide this donation on behalf of Wells Fargo Financial," said John Sheehan, President of Wells Fargo Financial National Bank. "The money is to be used to help subsidize affordable housing solutions and supportive services to low-income individuals," said Sheehan.

The check presentation was held at Nevada HAND's corporate office in Las Vegas. Nevada HAND's President, Michael Mullin, received the check on behalf of the organization.

"Our efforts continue providing affordable service-enriched housing to low-to-moderate income populations, could not be made possible without the support of institutions like Wells Fargo Financial National Bank," said Mullin. "We feel very fortunate to have been awarded this donation", said Mullin.
