

## Improve Lives

---

Nevada HAND is committed to its mission to improve lives. Thanks to our community partners, longtime supporters and team members, we continue to build housing and implement services to better assist the low-income seniors and families we serve. Working together, our **culture of caring** and kindness creates a real sense of family and community at Nevada HAND.

*A resident from Annabelle Pines creating a “Thank You” card for the Resident Services Coordinator*

*Team members assembling reading book bags for distribution at the onsite Boys & Girls Clubs*
