

The role of the HANDHELD Collaborative (HHC) is a brand-new initiative to support the overall mission of Nevada HAND in our community. Through a multi-tiered paid membership model, members play an active role in educating and engaging fellow emerging leaders in Southern Nevada while raising funds that directly benefit Nevada HAND. This diverse group will be passionate about providing high-quality, affordable housing and ensuring the right pathways are in place to create a sense of belonging, community, and home for all Nevadans.

Members will have the opportunity to give back and participate in unique volunteer opportunities, gain a deeper understanding of the nonprofit community, develop their knowledge on the affordable housing crisis in the valley, and expand their professional network.

BENEFITS OF BELONGING

- Gain a deeper knowledge and understanding of the nonprofit sector
- Unique volunteer opportunities
- Ongoing development of your professional and leadership skills
- Connect with community leaders
- Access to member-exclusive after-work events, roundtable discussions, networking lunches, and social media groups
- Learn about nonprofit board engagement from experienced board members
- Play an active role in engaging other emerging leaders and promoting the mission of Nevada HAND

OUR COMMITMENT TO DIVERSITY, INCLUSION, AND FAIR REPRESENTATION

The HHC represents diverse perspectives and experiences, drawing upon the personal and professional backgrounds of members.

We are committed to developing and fostering a culture of diversity and inclusion throughout the Collaborative, embracing the collective sum of the individual differences, life experiences, knowledge, creativity, innovation, self-expression, capabilities, and talent of its members.
