SENIOR CHOICE FOOD PANTRIES

Our pantries do more than provide essential food.

They support healthy, independent living, encourage engagement, and ensure access to nutritious options tailored to individual needs. It's one more way we go beyond housing to support the well-being and dignity of the seniors we serve.

“It’s everything.
I often don’t have food for the last two weeks of the month and the pantry helps get me through.”

- **RICHARD** *Nevada HAND Senior Resident*
